

PERSONAL DATA PROCESSING POLICY
FOR WEBSITES <http://премиявызов.рф>, www.vyzovaward.com
(consent to personal data processing
and consent to distributing personal data to third parties)

This document, the Personal Data Processing Policy (hereinafter referred to as the "Policy"), specifies the rules and regulations for the use of User's personal data by the VYZOV Foundation for the Development of Scientific and Cultural Relations (hereinafter referred to as the "Administrator"/"Operator").

Terms and Definitions:

a) **Operator of Personal Data/Operator:** VYZOV Foundation for the Development of Scientific and Cultural Relations (OGRN 1237700439019), registered in the register of operators engaged in personal data processing established by the Federal Service for Supervision of Communications, Information Technology and Mass Media of the Russian Federation, organizing and (or) carrying out the processing of personal data individually or jointly with other parties, as well as determining the purposes for processing personal data, the composition of personal data to be processed, and actions (operations) performed with personal data.

b) **Personal Data Processing:** any action (operation) or a combination of actions (operations) performed both automatically and manually with personal data. Personal data processing includes the following actions (operations) with personal data:

- collection;
- recording,
- arrangement
- accumulation
- storage
- specification (updating, changing)
- extraction
- use
- distribution (transfer, providing access)
- anonymizing
- blocking
- deletion
- destruction.

c) **Website:** official websites of the Prize accessible on the Internet at <http://премиявызов.рф>, www.vyzovaward.com (including subdomains).

d) **Prize:** the VYZOV National Prize in Future Technology, a public competition held annually since 2023.

e) **User:** any visitor of the Website.

f) **Personal Data Subject:** an individual that can be directly or indirectly identified using personal data.

g) **Prize Participant:** a User or a group of Users that meets the requirements specified in the Prize Regulations, that have completed registration on the Website and have submitted an application for participation in the Prize, is the author (or one of the authors) of a Project and aims to use, is using or have used the Website's functionality in order to participate in the Prize held by the Administrator.

1. General Provisions

1.1. By agreeing to use the Website and accepting the User Agreement posted on the Website, the User freely, voluntarily and in their own interest grants indefinite irrevocable written consent to any methods of processing their personal data, including any action (operation) or a set of actions (operations) performed manually or automatically, including the methods explicitly listed in the definition of "Personal Data Processing" for the purposes set out in this Policy.

1.2. The laws of the Russian Federation apply to this Policy, including interpretation of its provisions and the procedure for its adoption, execution, modification, and termination.

1.3. The Policy may use other terms and definitions not specified in the "Terms and Definitions" section of this Policy. In this case, such term should be interpreted in accordance with the text of the Policy and the User Agreement posted on the Website. In the absence of an unambiguous interpretation of the term or definition in the text of the Policy, it should be interpreted based on, first of all, the mandatory

documents specified in it, second of all, by the legislation of the Russian Federation, and subsequently, by business practices and scientific doctrine.

1.4. This Policy has been drafted in accordance with Federal Law of 27 July 2006 N 152-FZ "On Personal Data".

2. Personal Data

2.1. Personal data in this Policy means:

- Information that the User provides about themselves during registration or authorization, when filing an Application, as well as in the process of further use of the Website, including, but not limited to, the User's personal data: first name, surname, patronymic, year of birth, month of birth, date of birth, photo, citizenship, address, phone number, email address, gender, passport data, scanned copy of passport, education, place of work, position held, place of study, phone number and other personal data that the User will provide to the Operator during the use of the Website.

- Data that is transferred automatically depending on the User's software settings, including, but not limited to: IP address, cookies, telecom provider, data regarding the software and hardware used by the User to access the communications network, including the Internet, communication channels, information and materials sent and received when using the Website.

2.2. The Administrator is not responsible for the use of the User's personal data by third parties that the User interacts with while using the Website.

2.3. The Administrator has the right to establish requirements for the specific User's personal data that must be provided in order to use the Website. If certain information is not marked as mandatory, the provision or disclosure of such personal data is carried out by the User at their own discretion.

2.4. The Administrator has the right to verify the authenticity of personal data, namely passport details, by requesting that the User provide a scanned copy of their passport or other document confirming the User's identity. With respect to the remaining data, the Administrator assumes that the User acts prudently and in good faith while making all necessary efforts to keep such personal data up to date.

3. Purposes for Processing (and Distribution) of Personal Data

3.1. The Administrator carries out processing, including collection, storing, and distribution, of only personal data that is necessary in order to conclude and execute agreements with the User.

3.2. The Administrator is entitled to use personal data for the following purposes, including, but not limited to:

- conclusion of contracts involving the Website, including contracts with third parties;
- fulfillment of contractual obligations, including providing the User with the opportunity to use the Website and providing technical support;
- identifying the User as part of fulfillment of obligations under contracts concluded with the User;
- ensuring communication with the User within the framework of information services and improving the service quality;
- notifications within the framework of concluded contracts, including with the involvement of third parties;
- conducting marketing, statistical and other research based on depersonalized data;
- ensuring the participation of the Prize Participant in the Prize, distribution, in case of completing a certain stage and further participation in the Prize, in accordance with the Prize Regulations, of personal data of the Participant on terms specified in the "Consent to personal data processing approved for distribution by the personal data subject" made in the form of Appendix No. 1 to this Policy.

4. Requirements for the Protection of Personal Data

4.1. The Administrator shall store personal data and ensure its protection from unauthorized access and distribution in accordance with internal rules and regulations.

4.2. The User's personal data shall remain confidential, except in cases where the technology of the service provided or the settings of the software used by the User involve an open exchange of information with other participants and Internet users.

4.3. In order to improve the service quality, the Administrator has the right to store log files regarding the actions performed by the User while using the Website, as well as in relation to the conclusion and execution of the Agreement and other contracts by the User on their part.

5. Transfer of Personal Data

- 5.1. The Administrator shall transfer personal data to third parties in the following cases:
- the User agrees to such actions, including cases when the User uses the software settings that do not limit the provision of certain personal data;
 - such transfer is necessary for the Prize Participant to be able to use the Website's functionality;
 - such transfer is required for the conclusion and execution of contracts involving the Website;
 - at the request of court or other authorized state body within the framework of the procedure established by law;
 - to protect the rights and legitimate interests of the Operator in case the contracts concluded by the User are violated;
 - to ensure the Participant's participation in the Prize;
 - to inform the general public about the Participant's participation in the Prize as well as about the Prize itself, its stages and results.

6. Consent to Personal Data Processing. Consent to Personal Data Distribution.

6.1. The processing (and distribution) and protection of personal data is carried out only upon receiving the User's consent which can be expressed in writing, orally or in any other form provided for by applicable law, **including through the performance by the Personal Data Subject of implied actions** when using services on the Website, **completing the registration procedure on the Website and acceptance of offers containing provisions on personal data processing in accordance with applicable law**. In the absence of the consent of the Personal Data Subject to processing of their personal data, such processing shall not be carried out.

7. Amendments to the Personal Data Processing Policy

7.1. The Policy may be amended or terminated by the Administrator unilaterally without notifying the User in advance. The new version of the Policy comes into force from the moment it is posted on the Website, unless otherwise provided by the new version of the Policy.

7.2. The most recent version of the Policy is posted on the Website.
